Cultural

The Argonaut Hotel is located in the historic Haslett Warehouse. Originally built between 1907 and 1909, the building was the warehouse for the California Fruit Cannery Association, which distributed its goods under the Del Monte brand. In 1974 it was declared a historic landmark by the City of San Francisco and was listed on the National Register of Historic places in 1975. In 1978 the Haslett Warehouse was transferred to the National Park Service and then to the San Francisco Maritime National Historical Park in 1988.

Del Monte Foods has partnered with the Hotel to offer visitors a glimpse of the history of the building by creating a photo gallery that recounts the history of the building when it was used by the California Fruit Cannery Association in the early 20th century.
