

Dear Furry Guest,

Welcome to Gateway Canyons! We are so glad you decided to spend some time with us. Anyone as cute and as well behaved as you deserve the very best! We have provided a great spot to walk your person around the Resort. It's a great place to meet others. Please let your person know to clean up after you and always keep your person on the leash. Be sure to tell your people not to leave you in the room unattended at any time. We know that you get lonely and cry. Remember, others get upset when you are upset. We realize that it might be fun to play with your people in the pool and hot tub, but the pool and hot tub areas are for people only.

Please don't chew on anything in the room except for your treats and toys. You could get a tummy ache and we don't want you to get scolded if your people had to replace anything in the room. Also, please use your water bowl and not the ice bucket when you are thirsty. If you don't want to be disturbed or tempted to wander outside, be sure to have your people place the "do not disturb" sign. Also remember that if you are loose in the room housekeeping will not be able to clean your room.

Here at Gateway Canyons we love pets. Enjoy your time here and the next time your people get ready to take you on a trip, tell them to call us at 866-671-4733 or go to our website at www.gatewaycanyons.com. You and your people are always welcome here.
