

The Best 7 Rental Villas In The USA

Jarone Ashkenazi

Wherever your travels may take you, travelers search for that special place that merges something new and different with comfort. A place to rest their heads and take a much-needed respite from their busy lives and escape into a luxurious paradise. There are all types of hotels and resorts around the USA, but sometimes you want more of a home conducive to a larger family or group of friends. These villas across the USA provide a unique blend of privacy, luxury, bespo

Gateway Canyons Resort & Spa – Gateway, CO

With 58 guest rooms and suites and 14 Palisade Casitas, Gateway Canyons Resort & Spa edges the Colorado/Utah border and is cradled in the shadow of the Experience Palisade rock formation. The world's first and only discovery resort – created to nourish guests' curiosity through the art of discovery and adventure within a naturally intriguing environment – allows guests to experience numerous adventure activities like being near the highest concentrations of dinosaur fossils on the planet. Ranging from 875-2,074sf of luxurious living, the Palisade Casitas boast custom furnishings, outdoor showers, private decks with fire pits and personalized service from a Casita Butler during their stay. Guests also get to enjoy other amenities like a reserved cabana at the Palisade Casita Pool, private in-room dining and spa services and private tours of the Gateway Colorado Auto Museum.
