\*Before placing your order, please inform your server if anyone in your party has a food allergy. Consuming raw or undercooked meats, poultry, seafood, shellfish or eggs may increase your risk of foodborne illness, especially if you have certain medical conditions. A 3.5% surcharge has been added to all guest checks in support of the recent increases in minimum wage and benefits for our dedicated team members. An 18% service charge will be added to guest checks for groups of six or larger.

**WARNING:** Drinking distilled spirits, beer, coolers, wine and other alcoholic beverages may increase cancer risk, and, during pregnancy, can cause birth defects.  
**WARNING:** Certain foods and beverages sold or served here can expose you to chemicals including acrylamide in many fried or baked foods, and mercury in fish, which are known to the State of California to cause cancer and birth defects or other reproductive harm.
